ABOUT US

The International Community School, Abuja, is a Christian international school which was founded in 1998 to provide an international curriculum education for both expatriates and the Nigerian community. The school is governed by an Advisory Board responsible to the Board of Directors. An active PTA provides support and assistance to the school. The staff and students at the school represent about 35 countries of the world. ICS graduates presently are either working or furthering their education in the US, UK, Canada, Asia, Africa and Europe.

MISSION STATEMENT

The mission of the International Community School, Abuja, an internationally accredited Christian school for day and boarding students with a warm family atmosphere, in partnership with the entire school community is to provide a safe and secure environment where our students can discover and achieve their optimum potential, acquire social and moral values, develop a positive self-image and collaborate in an internationally diverse community. This will be achieved by providing an enriched American curriculum with highly skilled, committed faculty in a continuously improving technological learning environment.
